

Maestros appoints new Head, Sales and Alliances

Bipin Wali joins Maestros as Senior Manager, Sales and Alliances from GTL

Mumbai: April 4, 2005: Bipin Wali has joined Maestros Mediline Systems Limited (Maestros), the most preferred partner of Microsoft in India and the market leader in providing IT and corporate services, focused on the high growth areas of delivering strategic information technology solutions that address the complex business needs of its customers. Maestros provide applications management, development, integration, infrastructure management, medical software and equipment, and a number of related services through its unique business model.

In his new position, Bipin has joined Maestros to head the Sales function and on the other had build and grow business relationships and alliances with the leading principles like Microsoft, IBM, EMC and Intel.

"Bipin has a wide breadth of experience and an exceptional track record in building and sustaining strong sales growth," said Dr. Nitin Paranjape, Chairman and Managing Director of Maestros Mediline Systems Limited. "He has all the right skills and background needed to guide our sales, account management and alliance management. I am confident that, under Bipin's leadership, Maestros will become the market leader in our industry."

Bipin brings to Maestros seven years of corporate sales experience. Most recently, he served three at Global Tele Systems Limited (GTL) where he had a dual role of doing global account management of key customers like Franklin Templeton, British telecom, Siemens and business development for ITO, a new initiative from GTL.

Bipin earned a Bachelor of Engineering from Mumbai University. Subsequently, he earned a Post graduate diploma in Sales and Marketing from NIS Sparta.
